

SGC meeting 2/7/17

-Proposed mission statement has been completed for submission to be approved:

Silvermine Elementary School is a school/community partnership that is committed to these three tenets:

- Providing a high quality academic program that challenges students to reach their full potential.
- Creating a unique opportunity for students to realize the benefits of being bilingual, biliterate and bicultural through a robust dual language program.
- Empowering students with the skills they need to be of strong moral and ethical character.

Silvermine Elementary es una escuela cuya misión, trabajando de forma coordinada con la comunidad a la que pertenece, está cimentada en los siguientes tres principios:

- Brindar a sus estudiantes una educación del más alto nivel que les permita desarrollar su potencial al máximo.
- A través de nuestro programa en dos idiomas (inglés y español), ampliar sus horizontes y al mismo tiempo enseñarles cómo capitalizar las ventajas que representa ser bilingüe y bicultural.
- Darles las herramientas para desarrollarse como personas moral y éticamente íntegras.

-Following group activity in which subgroups completed different aspects of school compact, a subcommittee was create. Subcommittee will meet to put together all components of school compact, and will also further discuss how to execute compact in a manner that garners cooperation from all parents, students, and school staff. Subcommittee members are:
